OUR ALUMNI WORKS

UNLOCK YOUR POTENTIAL

About SkillParkho:

Welcome to SkillParkho - Your Path to a Bright Future!

At Skillparkho, we believe that your background shouldn't limit your opportunities. Whether you have a degree in BA, B.Sc., B.Com, or have gaps in your career, we are here to help you succeed. Our commitment is to support you until you secure a job.

Here's how we do it:

- **Learn Skills That Matter:** We teach you the skills that employers are looking for, no matter where you're starting from.
- **Easy Payment Plan:** Start with just ₹4,999 (in 3 installments) and pay the remaining ₹5,000 after getting a job. Alternatively, pay ₹999 upfront and ₹2,000/month for 12 months post-placement. Both options offer flexibility, ensuring your focus remains on success, not financial stress
- **No Risk, Only Reward:** If you don't get placed, we'll refund the amount you paid—no questions asked.
- **Support for Everyone:** Whether you're a fresh graduate or someone with a career gap, we stand with you every step of the way.
- **Your Success Is Our Goal:** We're committed to your journey, and we won't stop until you've reached your career goals.

Join us at Skillparkho, where your success is our priority. Together, we'll achieve your career goals.

Why SkillParkho:

Your Path to Success
Unlock your potential with SkillParkho, where your growth is our priority. We inspire you to achieve your dreams and confidently excel in the tech world, backed by our commitment to your success.

Unlimited Placement Support
We're with you every step of the way, offering continuous support until you land your first job.

Affordable Quality Education
Breaking down barriers is our motivation, not the funds in our account. By providing high-quality education at a reasonable price, we make sure that dreams aren't restricted by money.

Cutting-Edge Curriculum
SkillParkho offers a forward-thinking curriculum aligned with the latest industry trends and technologies. Stay ahead of the curve and excel with our innovative, future-focused programs.

Technology-Driven Learning
At SkillParkho, technology is central to our teaching approach. Enjoy seamless access to all training materials and assessments, putting cutting-edge resources right at your fingertips for a superior learning experience.

Hand-On Experience
Immerse yourself in real-world projects with SkillParkho. Apply your new skills through practical, industry-relevant tasks, ensuring you're ready to hit the ground running on day one of your new job.

Why SkillParkho:

Personalized Mentorship
Get expert help whenever you need it. Our one-on-one mentoring will guide you through challenges and help you succeed, providing the support and tools to reach your goals.

Our Flexibility, Your Comfort
Enjoy offline and recorded sessions, flexible payment options, and open eligibility. We've made our courses accessible to everyone, fitting your needs and schedule.

Our Courses
We Covers Networking Fundamentals, Client OS Management, Windows Server setup, Virtualization with platforms like VMware, Hardware troubleshooting, and ITIL practices, offering a comprehensive overview of essential IT skills.
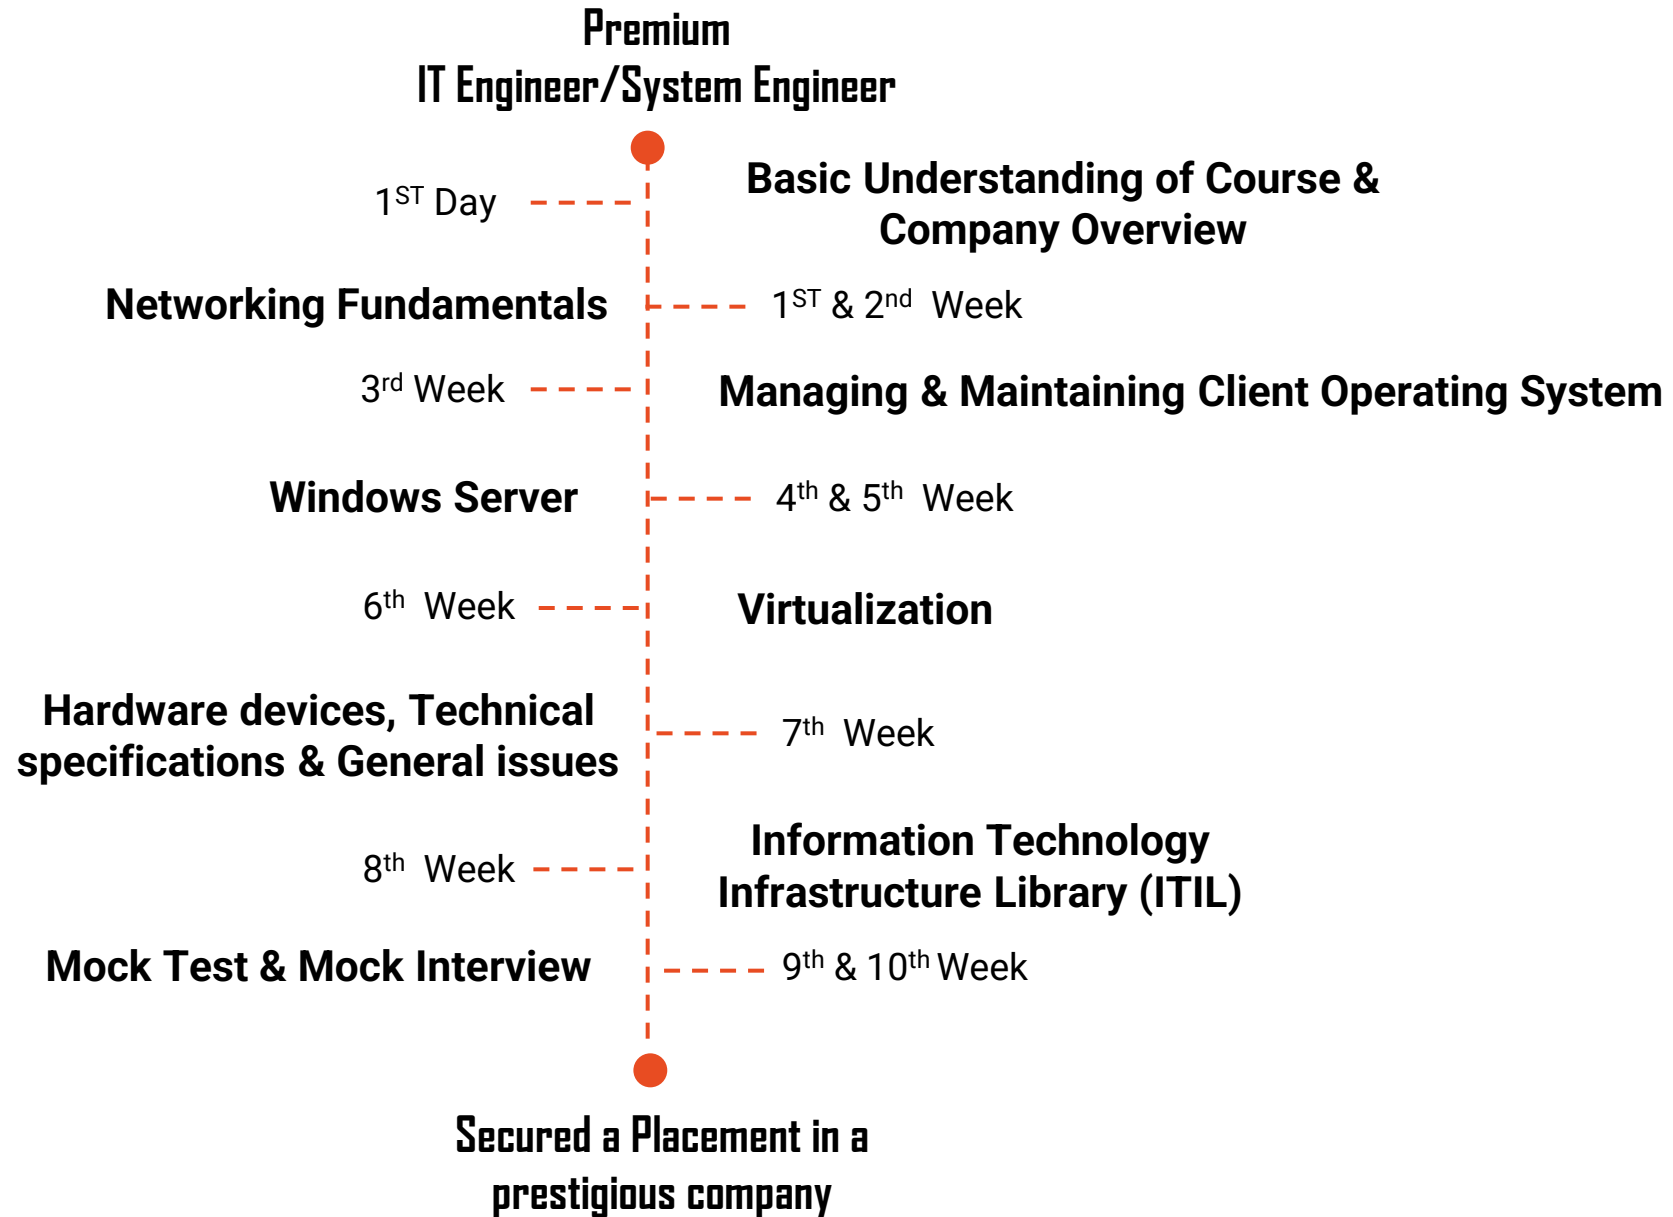

Our Clientele
Our students have successfully secured positions in top companies across various industries, including Infosys, TCS, Accenture, HDFC, Teleperformance, Airtel, Wipro, HCL, Microsoft, and many more.

Lifetime Access to Course Materials
Knowledge lasts a lifetime, and so does our support. Enjoy one year of access to recorded videos and live sessions until you're placed, ensuring you stay updated and fully prepared.

STUDENTS SUCCESS STORY

Manoj Maurya
B.Tech (Mechanical) - 2019
Placed: First Source (3.4 LPA)

I had a wonderful experience with Skillparkho. They provided excellent training and helped me to find a perfect job. The entire process was smooth and supportive.

Aarti Jadhav
Bachelor of Commerce - 2024
Placed: Microland (3.2 LPA)

The training was detailed and easy to follow, covering everything needed for real IT engineer work. It gave me the confidence and skills to handle real-world tasks effectively.

Priyanka Viswahkarma
Bachelor of Commerce - 2020
Placed: Team Computer (3.0 LPA)

The placement process was smooth and well-organized. I received great help with job applications and interview prep, including practice interviews, which made me feel ready and confident

Ravi Chaurasiya
Master of Commerce - 2020
Placed : Karvy Infotech Pvt. Ltd (2.8 LPA)

The instructors knew their stuff and were always there to answer questions. Their support made learning easy and helped me understand everything without any confusion.

Preeti singh
Bachelor of Commerce - 2020
Placed: HDFC (3.6 LPA)

The pay-after-placement model was a huge relief, letting me focus on learning without upfront costs. Paying was easy and only happened after I got a job

Swati Dwivedi
B.Tech (CS) - 2024
Placed: Wipro (4.0 LPA)

Thanks to Skillparkho, I landed a job as an IT Support Specialist at Wipro. It was a perfect match for the training I received and my career goals

STUDENTS SUCCESS STORY

Praveen Dubey
Bachelor of Pharmacy -2022
Placed: Infosys (3.8 LPA)

I faced some challenges during the course, but the company provided timely support and resources that helped me overcome them and keep progressing towards my goals.

Vipin Kumar Singh
Master of Arts - 2021
Placed: EY (3.64 LPA)

The initial learning was tough, but with the instructors' help and extra practice, I quickly got the hang of it and felt more comfortable with the material

Mahima Rai
Bachelor of Arts - 2018
Placed: Accenture (3.45 LPA)

The learning environment was very supportive, creating a strong sense of community among students and instructors. Everyone was encouraging, which made the experience more enjoyable and helped me stay motivated throughout the course.

Abhishek Singh
B.Tech (Civil) - 2020
Placed: EXL (3.6 LPA)

Clear and consistent communication from the company kept me on track throughout the course and placement process, ensuring I knew what to expect and helping me stay focused and organized

Salman Khurshid
Bachelor of Science - 2022
Placed: Deloitte (3.7 LPA)

Even after securing a job, the company provided ongoing support, ensuring that I was settling in well and addressing any post-placement issues

Saurabh Singh
Master of Science -2023
Placed: American Express(4.0 LPA)

There was a clear feedback system that let me share my thoughts on the course and get helpful feedback on my progress, which made the learning experience more effective.

Unlock your Potential With SKILLPARKHO

Duration: we offer a comprehensive course designed to equip students with the skills needed to succeed. The course spans **8 weeks of intensive classes**, followed by **2 weeks of mock interviews and mock tests** to prepare students for the job market. In the final **2 weeks**, we focus on **placing students in suitable roles**, ensuring they are job-ready and confident.

Eligibility: Whether you're just starting, at an intermediate level, or already a professional, this course is open to you! All you need to get started is a **Bachelor's Degree** with at least **50% or equivalent passing marks**. From there, we'll provide the guidance you need to reach your goals and succeed.

Program Fees: We offer two flexible payment options to ensure accessibility for all students:
- **Standard Payment Plan:** You pay **a registration fee of ₹999**, followed by a **course fee of ₹4000** that should be paid **within the first 3 weeks of the class**. After securing placement, there's an additional **post-placement fee of ₹5000**.
- **Pay After Placement Plan (for students who need financial flexibility):** You start with a **registration fee of ₹999**. After placement, you will pay **₹2000 per month for 12 months**, totaling **₹24,000 for the course fees**.

Both options are designed to provide flexibility while ensuring you can focus on your learning and career growth without financial strain.

Refund Policy: If you attend at **least 80% of classes** and complete **80% of your assignments** but do not secure a position within 3 months, we will provide one-on-one support from a team member for an additional 3 months to address any areas needing improvement. If, after this extended support, you still do not achieve placement but have maintained the required 80% attendance and assignment completion, we will **refund 100% of course fees.**
