Who
WE ARE

for more info visit : www.skillparkho.com

Who We Are & TRACK RECORD

At our core

Every student, no matter the background, deserves an opportunity to succeed in the IT world.

Driven by our mission

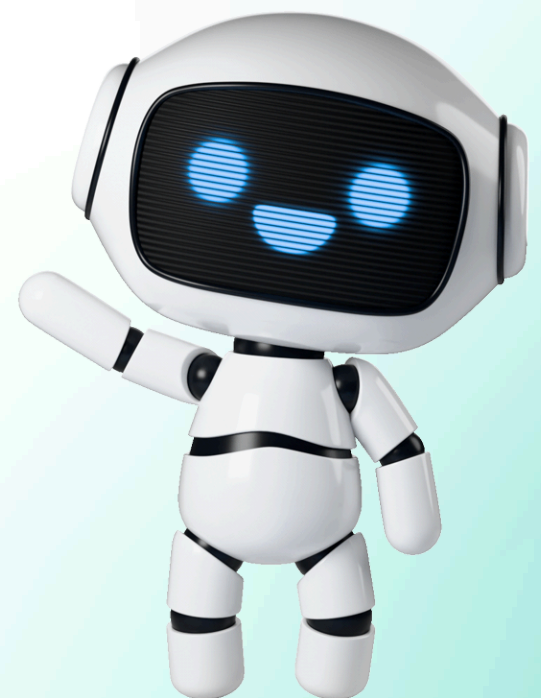

We help you build skills, confidence, and the ability to face real-life situations.

Through hands-on learning & mentorship

We ensure every student reaches their full potential.

Our Journey & TRACK RECORD

- Founded in 2021, goal: provide affordable IT training that guarantees job opportunities.
- Proven Results: 100+ students placed, 98% placement rate.
- Alumni Success: Students now work in Infosys, TCS, Accenture, Microsoft & more.

for more info visit : www.skillparkho.com

Let's Begin *the Journey*

What you will
LEARN

for more info visit : www.skillparkho.com

* What You Will Learn

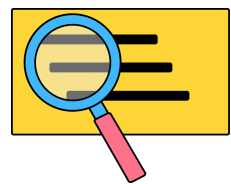

SkillParkho helps you start your IT career no matter your educational background.

By the end, you can work in roles like

- System Engineer
- System Administrator
- IT Support Engineer
- Desktop Support Engineer
- Service Desk Analyst
- Technical Support Engineer
- Server Administrator
- And many more...

We teach you all the skills needed for a strong IT career.

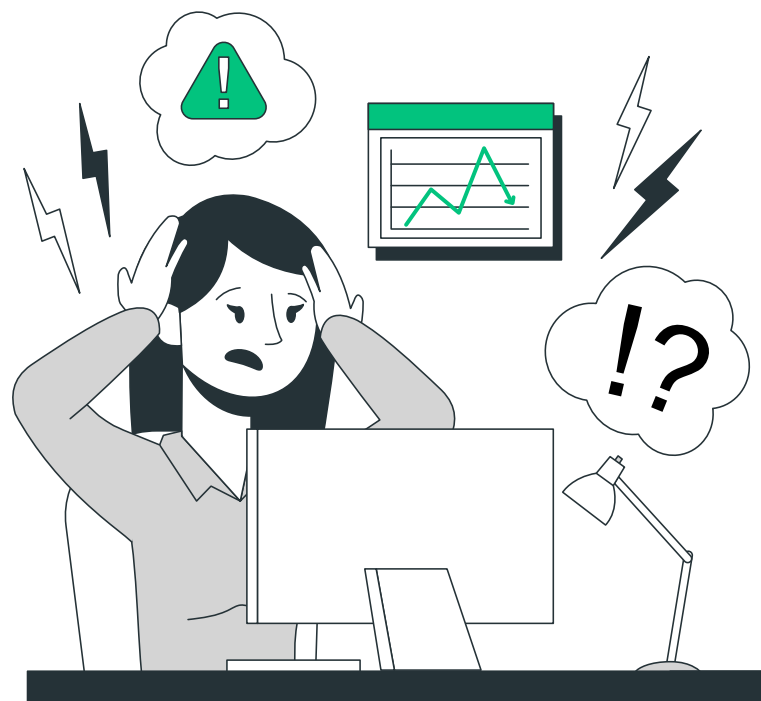

* What is an IT/System Engineer?

An IT/System Engineer is someone who takes care of technology so a company runs smoothly — computers, servers, networks.

EXAMPLES

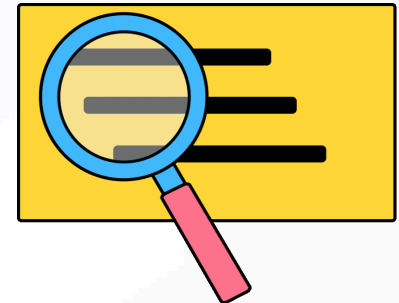

- Troubleshooting issues
- Keeping systems secure
- Monitoring servers, networks, backups, tools, etc.

for more info visit : www.skillparkho.com

* Why Choose IT/System Engineering?

- Easy to Start: No specific degree required.
- High Demand: Always needed.
- Good Pay: **Average salary ~ 5 LPA.**
- Career Growth: Switch to cloud, DevOps, etc.
- Job Flexibility: Remote work options.

* Skills You Will Master

Module 1

Networking Fundamentals

- Introduction
- Network Topology
- IP Addressing
- Subnetting
- Transmission protocols (TCP/UDP)
- Devices, commands
- Packet Tracer
- VPN, NAT & PAT

Module 2

Managing & Maintaining Client OS

- OS installation
- Users, groups
- Troubleshooting
- Control panel tools
- File systems
- Device manager
- Remote management

Module 3

Windows Server

- Domain & workgroup
- Active Directory
- DNS, DHCP
- FTP
- Server configuration

Module 4

Virtualization

- Virtual machines
- Hypervisors
- VMware, Hyper-V, Citrix

Module 5 Hardware & Troubleshooting

- Components
- Installation & upgrades
- Diagnostics

Module 6 ITIL

- ITIL lifecycle
- Incident, change, problem management
- SLA, OLA, CMDB

Course Highlights

THESE 10 KEY FEATURES MAKE US STAND OUT AS ONE OF THE BEST TRAINING INSTITUTES FOR IT/SYSTEM ENGINEERING:

- **8-Week Industry-Grade Program:** Gain hands-on, real-world skills that prepare you for a successful career in IT/System Engineering.
- **Expert Mentorship:** Learn from experienced industry professionals who guide you throughout your journey.
- **Weekly Doubt Sessions:** Receive personalized attention to resolve any doubts and ensure you stay on track.
- **Real-Time Support:** Get immediate assistance through live chat or forums whenever you need help.
- **Hands-On Learning:** Work on practical projects that equip you with valuable, job-ready skills.
- **Recorded Revision Videos:** Miss a class? Review recorded lessons anytime, ensuring you never fall behind.
- **Daily Notes (PDF):** Reinforce your learning with concise, easy-to-access notes provided after each class.
- **ISO & IAF Approved Certificates:** Earn globally recognized certificates for each module, helping you stand out in the job market.
- **Internship Letter:** Showcase your hands-on experience with an official Internship Letter, helping you bridge any career gaps.
- **Pre-Placement Phase:** Prepare for interviews with mock sessions, resume tips, and expert guidance to ensure you're ready for the job market.

These 10 features make our training program one of the most comprehensive and effective options for launching your career in IT/System Engineering.

January 24, 2024
E Code: SKILL-XX-XXX

SUB: RELIEVING LETTER

Dear Atul Pandey,

We refer to your letter regarding the completion of your service with our company.

This is to certify that you have worked with our organization from January 10, 2025, to April 25, 2025.

We would like to acknowledge your dedication and commitment during your internship. Your contribution has been greatly appreciated, and we commend your efforts.

We extend our best wishes for your future endeavors and are confident you will achieve success in all your pursuits.

Best regards,
SKILLPARKHO
